MEMORANDUM FOR: Deputy Director of Security

SUBJECT : Allen W. Dulles Papers

1. Reference is made to the five four-drawer file cabinets and several cardboard boxes containing papers retained by Allen W. Dulles, a former Director of the CIA.
2. Upon his death his widow, Clover Todd Dulles, and the Executors of his Estate agreed to a review of these papers by a representative of the present Director, Mr. Richard Helms, to insure that these files contained no classified information before final disposition was made of the papers in question.
3. In view of my familiarity with these files, at Mr. Helms' request, I undertook this review and it is now completed.
4. I have already returned to you certain papers which I withdrew as my review progressed and which, in my opinion, should remain in Agency files. Forwarded herewith are the remaining papers that fall within this category.
5. Mrs. Dulles has not yet definitely decided what disposition she will make of these files but I believe that they will be offered to the library of Princeton University.
6. It should be noted that I did not review files maintained by Mr. Dulles pre-dating his work with the Office of Strategic Services during World War II.
7. The papers pertaining to Mr. Dulles' law firm, Sullivan and Cromwell, have been withdrawn and given to the CIA General Counsel for examination and disposition.

8. The remainder of the files except as indicated
above have been returned to Mrs. Dulles at her residence,
